- Attending parent-teacher conferences.
- Being involved in the Spring Creek ISD Parent-Teacher Organization.

## **WHAT IS A SCHOOL-PARENT COMPACT?**

A School-Parent Compact for Achievement identifies opportunities for school faculty and parents to work together to promote student success. This compact provides strategies to help bridge learning from school to home. Through effective partnerships between school faculty and parents, individual student achievement has the opportunity to be maximized.

### **Effective Compacts:**

- Link to academic achievement goals
- Promote student growth
- Focus on identified district and student needs, which will increase student achievement
- Identify strategies that staff, parents, and students can use to increase student success
- Explain how teachers will communicate student progress to parents
- Describe opportunities for parents to observe, volunteer, and participate in the classroom to take an active roll in their child's education

## **COMPACT DEVELOPMENT**

This compact was created through a joint effort between parents and school faculty. Student input, gathered through both formal and informal student surveys, was used to ensure that the compact was created to meet the needs of our students, in addition to the needs identified by parents and faculty.

## **PARENT INVOLVEMENT OPPORTUNITIES**
